PROFILE

I have 3 years of experience in an e-commerce company. I specialize in e-commerce website development, problem-solving, organizational skills, and UX design enhancement. I'm quick to learn and adapt to new technologies, and I'm skilled in various computer systems, programming languages, and troubleshooting. Team player with an eye for detail.

WORK EXPERIENCE

Always Open Commerce I.T. Solutions MAR 2021 - APR 2024
Web Developer

- Collaborates closely with the designer and senior developer.
- Specialize in BigCommerce, Shopify, and WordPress—comprehensive platforms that handle both front-end and back-end development for online store e-commerce websites.
- Enhancing page speed optimization, performance, accessibility, and SEO.
- Using the WPBakery Page Builder, Elementor, Divi Page Builder for front-end, FileZilla managing for back-end purposes.
- Website App integrations tailored to meet client requirements.
